## Alphabetical list of countries of the world

The independent country is not only a self-governed nation with its own authorities, but this status needs the international diplomatic recognition of sovereignty.

Thereby, we can say that the total number of independent states in the world today is 197, including 193 fully recognized members of the United Nations and 2 countries, Vatican City and Palestine, have the status of permanent observers in the UN. The other 2 states we include in the list are Kosovo (recognized by 101 UN members) and Taiwan (recognized by 12 UN members and one UN observer).

RE: Case Number: 24-O-27319  
Respondent: Walter Martinez

Dear Salvador Montero:

This acknowledges the State Bar of California's receipt of your complaint against Walter Martinez.

Please be advised that Walter Martinez was disbarred by the California Supreme Court effective February 28, 2015. Therefore, Walter Martinez is no longer entitled to practice law in the State of California. Accordingly, the State Bar no longer has disciplinary jurisdiction over Walter Martinez and does not have authority to investigate the matter of which you complained.

California lawyers have established the Client Security Fund ("CSF") to reimburse certain monetary losses due to attorney dishonesty. You may wish to contact CSF at (213)765-1140 for more information, or access its webpage through the State Bar's official website at [www.calbar.ca.gov](http://www.calbar.ca.gov). Applications for reimbursement must be submitted directly to CSF and related questions should be directed to CSF. The Office of Chief Trial Counsel does not receive, review or consider CSF applications for reimbursement.

Please be aware that CSF has a very large volume of applications pending. The process of reviewing and processing applications is quite lengthy and presently it cannot predict how long it might be until a decision is made on your application. CSF informs us that while applications are generally handled in the order they are received by them, and all applications are given a full and fair review, there is no guarantee that your matter will qualify for reimbursement.

We would appreciate if you would complete a short, anonymous survey about your experience with filing your complaint. While your responses to the survey will not change the outcome of

the complaint you filed against the attorney, the State Bar will use your answers to help improve the services we provide to the public. The survey can be found at <https://www.surveymonkey.com/r/HJGKWY7>.

Thank you for bringing this matter to the attention of the State Bar. We regret that we are unable to assist you.

Sincerely,
